Sesshin fee: 300 Euro, 170 Euro scholarship. Please request a scholarship when you sign up with your country's leader until 1st of November.

Sign up: until 10th of October

Tenzo: volunteers are always welcome, otherwise we will distribute the kitchen work equally.

What to bring: warm clothes. We have bedding here and the rooms are heated. There are only few extra blankets available, so if you like to sleep extra warm, please bring your own sleeping bag.

One request: A sesshin is about a group making efforts together, a sangha practicing together. So please do make it possible to stay for the whole sesshin. It does disturb and take away from the group energy, if people come late and leave early.

Silence: When you sign up for the sesshin, you make a commitment to practicing silence during this one week and stay only with the inner work.

Looking forward to seeing you all again.
